17 August 1955

MEMORANDUM FOR: Chief, Liaison Division, OGD

SUBJECT : Preparation of Study [REDACTED]

25X1X7

REFERENCE : Letter to DCI, No. 3173, 05571-4,  
dated 24 May 1955, from Chief,  
Army Section, SDMIC

1. In response to the referenced request, there are attached hereto copies of each of the following reports for transmission to G-2:

Fig Iron in the Soviet Bloc

The Current Aluminum Situation in the Soviet Bloc

Coking Coals in the Soviet Bloc

Relative to "Coking Coals in the Soviet Bloc", an OGR study heretofore produced provided ample data on the USSR. However, no such research has been completed on these coals in the Satellites and time only permitted of a review of readily available material.

2. All OGR responsibilities as defined in the DDI memorandum of 13 August 1952, "Procedures for Dissemination of Finished Intelligence to Foreign Governments", as applicable to these reports have been fulfilled.

3. These reports, as they now appear, with sources documented, must bear the control "NOFORN" and are not releasable to foreign nationals.
